

# PROFESSIONAL LEARNING

2023-2024

## SUCCESSFULLY IMPLEMENT THE CURRICULUM

As an open education resource, OpenSciEd strives to ensure that all school districts, regardless of budget or size, can provide teachers with the high quality professional learning they deserve.

Through careful engagement with classroom videos, real student work, student and teacher interviews, and a deep dive into the unit materials, OpenSciEd's professional learning fosters a meaningful understanding of the units — providing teachers and districts with the tools they need to feel confident implementing equitable science instruction in their classrooms!

## PROFESSIONAL LEARNING SESSIONS

### ONE-DAY PILOT LAUNCH

VIRTUAL OR ON-SITE

STARTING AT \$3,500 PER UNIT

Interested in learning more about OpenSciEd and trying a unit? The One-day Pilot Launch will provide teachers with the essentials to try a unit in their classroom. This is a great option for schools and districts that are currently in an adoption cycle and evaluating curricular resources. One OpenSciEd Facilitator will facilitate one day of professional learning for up to 30 participants.

### CURRICULUM LAUNCH

VIRTUAL OR ON-SITE

STARTING AT \$8,250 PER UNIT

Supports teachers in understanding the shifts called for by the NGSS and the Framework for K-12 Science Education. The Curriculum Launch will prepare teachers to teach their first OpenSciEd unit while introducing them to the OpenSciEd materials, approach, and pedagogy. The Curriculum Launch provides a solid foundation for OpenSciEd implementation. Base pricing is for one grade level facilitator over three days. A facilitator for each grade level is recommended.

### DIVE DEEPER

VIRTUAL OR ON-SITE

STARTING AT \$6,000 PER UNIT

Ready to take a deeper dive into OpenSciEd approach and pedagogy while digging into a new unit? With five rounds each focused on a different topic and unit, these sessions will deepen teacher knowledge in areas such as assessment, equitable discussion, and universal design while digging into a new OpenSciEd unit for context. Base pricing is for one grade level facilitator for two days.

### UNIT OVERVIEW

VIRTUAL OR ON-SITE

STARTING AT \$3,500 PER UNIT

Looking for a quick introduction to the next unit after the Curriculum Launch? Unit Overviews are a great option for teachers already familiar with OpenSciEd pedagogy and routines and will prepare teachers for a specific unit by experiencing the anchoring phenomenon and digging into the unit's storyline. Base pricing is for one grade level facilitator over one day.
